

RIBBED CROCHET KITTY SNUGGLE

Using 2 strands of yarn, chain 48. (Can increase or decrease number depending on weight of yarn and size desired.)

Double crochet in 3rd chain from hook in back loops only. Continue to double crochet across entire row in back loops only. Chain 3 at end of row and turn. Continue to double crochet in back loops only until snuggle reaches desired size.

Variation: You can do this in single crochet also. If that is done, chain 1 at end of each row to turn.
